COACH'S COMMENTS: Coach Vic Wallace reflecting on Jewell's 34-3 defeat of Central Methodist -- "Our objective was to establish our ability to run right at them -- specifically work on our outside sweeps which we did effectively in the first half -- defensively we won it at the line of scrimmage and controlled it -- our penetrating defenses were exceptional with outstanding play from our defensive ends and tackles -- we executed well on the whole and got to play a lot of younger second and third line people -- (commenting on the fact that Jewell now has an open date this Saturday) -- I like the idea of an open date as it allows us to heal up our injury situation and give us time to regroup and rework on the basic fundamentals and allows us two weeks to get ready to play at Graceland on their Homecoming on October 8."
