CARDINAL BULLETIN

October 2, 1979

One of the most rewarding things that can happen to an individual or individuals is to see the blending of time, hours of organization, and the supportive efforts of committees culminate in reaching goals that have been set as we did Saturday night. The close encounter with the Doane Tigers has left an exciting, tingling sensation amongst all of us as we reflect back on Saturday's game. The effort our football squad put forth last week in preparing for Doane was outstanding and the rewards will be even greater as we start to prepare for our conference play.

Our coaching staff spends a great deal of time evaluating the play of our young men in each opportunity they have to participate. Brad Gans, Pattonville High School strong safety, Jim Koch, Pattonville linebacker and Wayne Schmidt, a defensive tackle from Tonawanda, NY, received high praise from the defensive staff due to their high grades after film evaluation. Offensively, running back Vic Davolt and wide out Rob Schermerhorn along with quarterback Mark Capra had strong performances. There is another group of young men that deserve a great deal of praise. Previous names that have been mentioned would not have been noticed without a strong performance from the "silent bunch." The "silent bunch" are the young men who make up our offensive line. Sid Silvey, Liberty High School offensive tackle, Dennis Williams, Raytown High School Center, Steve Spencer right guard from Raytown H.S. and Randy Wepler, Liberty High School tackle and Mike Hogan, guard from William Chrisman, continue to open holes and provide above average pass protection.

The coaching staff is pleased with the victory over an outstanding team such as Doane College. At the same time, the Cardinals need to develop consistency in regards to their skills and techniques. It must be understood that any time you play an excellent opponent there will be highs and lows due to the high level of competition. The "RED RAGE" cannot afford to have mental and physical lapses as we journey to Tarkio to play the Owls on their own territory this Saturday night. The Tarkio Owls have played a very tough schedule and have been competitive in most of their contests. As we study their performances we can see they are a team that has talent and they will continue to improve each week. Offensively, you will see the Houston veer with sprint out passing. Defensively, the Cardinals will be seeing a 52 scheme as well as a 44 defense.

Again, I want to express my sincere thanks to our entire Cardinal family and to the many fans that continue to support our program. It is certainly exciting news that the Parents' Club are planning to take busses to several of the out of town games.

INTERESTING NOTE: There seems to be a number of youngsters hanging around the game field asking for autographs and wanting to get acquainted with the Cardinal football players.

Sincerely,

Stan McGarvey
HEAD FOOTBALL COACH
