

It's Vic Wallace: Football Coach

Texas Tech University assistant football coach Vic Wallace has been hired to replace Stan McGarvey for the 1981 season.

Wallace, a Cornell College graduate, has coached on three divisions of NCAA football.

The 38-year-old Wallace has some shoes to fill, as the 1980 Cardinals finished with an 11-1-1 record and advanced to the semifinals of the NAIA Division II football playoffs.

McGarvey resigned last January after posting a three-year record of 22-11.
