Office of the President

September 1980

Dear Cardinal Fan:

Football is Fun!

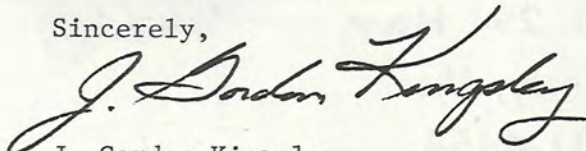

And so is Physics (says Dr. Hilton). And Physical Fitness (says Dr. Patterson). And Finance (says Dr. Miller). And Foreign Study (says Professor Lampo). And Forensics (says Dr. Bowman). And Fine Arts (says Professor Harriman).

All are part of the fine liberal arts education which William Jewell College has been offering since 1849.

Enjoy this game, knowing that the intelligence and discipline and dedication exhibited on this field are qualities which William Jewell seeks to inculcate in all her students--qualities which make for an educated leadership for tomorrow's world.

We welcome you, warmly.

Sincerely,

  
J. Gordon Kingsley

## SPORTS NOTE: JEWELL'S GLORY YEARS

Under Norris Patterson from 1950-54, the Cardinals went 35-5-1, won four straight MCUA Championships, and outscored their opponents 1225-330.

# DEDICATION

*The 1980 William Jewell College football program is dedicated to Dr. M. D. Eubank. An 1890 graduate of William Jewell College, Dr. Eubank was a noted minister, missionary, and physician as well as the captain of William Jewell's first football team in 1888.*

DR. M.D. EUBANK  
First Captain of William Jewell

## NINETY TWO YEARS AGO ---

The Year was 1888, Liberty was a thriving town on the frontier and William Jewell College was on the brink of its fortieth anniversary. Pistol shots still rang out in the night to startle the horses lining main street. Grover Cleveland was President of the United States and the Statue of Liberty was two years old. Chief Geronimo was alive and in a federal penitentiary having been captured two years earlier. Members of Jesse James' gang were still at large and the wild west was still a reality.

On a cool fall afternoon, one might take a buggy ride with one's sweetheart, visit the county fair, or watch a William Jewell College football game. Yes, you read correctly, for ninety two years ago Jewell's first organized football team took to the playing field.

Although details on this team are extremely sketchy, we do know that it was captained by M. D. Eubank. This Jewell graduate was to become M. D. Eubank, M.D. and serve as a medical missionary to China. Although we know little of their particular games, we do have knowledge of how they were played and few of us here would have recognized it as football. Here is a description of the game M. D. Eubank played.

The scoring system had been adopted four years earlier and allowed 1 point for safety; 2 for TD; 4 for point-after-TD; 5 for field goal. The "flying wedge" was the standard kickoff play and there was no limit to the number of men allowed in the backfield.

Football players were easily identified by their long bushy hair, which was grown to prevent head injuries. Helmets were not yet worn and no standard uniforms would exist for another seven years. The ball was not centered to the quarter back, the center kicked it back with his heel and unlimited contact was allowed before the snap.

The below waist tackle was a new rule in 1888 and the concept of using a "lead blocker" was being invented. The first All-American team was a year away and Amos Alonzo Stagg would be a member.

The Forward Pass was still unknown and would not be legalized for 18 years and then only as a means to prevent deaths from running plays (there were 18 in 1905). As the 1896 *William Jewell Student* states, "Football is no 'parlor game' in which 'hot house plants' may indulge." How true, then and now!

## THE MUGWUMP GAME

(excerpt from 1916 article by Dr. M. D. Eubank)

We bought our first football in the fall of 1888. We were not encouraged to play regular football. We were advised that the great men before us got their exercise by sawing wood, milking cows, etc. We were told that good long walks were healthy if taken with other male students — no walks with females advised.

We began our first football down in the S.W. corner of the campus (site of current fields). We did not play Soccer, nor Rugby, but a sort of mugwump game. (Ed. note: mugwump refers to a desertion of true standards). We worked out rules to suit ourselves and this lasted for two years.

We wanted to get up a real team and play like other schools. I soon got in touch with the Y.M.C.A. coach from Kansas City and he came over and gave us lessons. We learned a few signals, then learned "hay foot, straw foot," and we thought we could play anybody. We were strong enough, had we been trained.

The Y.M.C.A. coach brought his team over to play us. We looked them over, they were mere boys. I, being a student of the ministry, thought it would not be nice for us to be too rough with the little boys. I weighed 197 and was center, Charley Bullard was to my right and weighed 190. We were strong enough to carry any four of the boys off the field had we known how to catch them. The whistle blew and something happened, what it was I do not know, but those little boys came through the line. Bullard and Eubank were down, dust was flying, or something like it. Bullard could not see, and Eubank was not a whit better off. We felt like the boy the drove of sheep ran over. We professed to do better, but before we could figure out what was up, we found ourselves all down again. We seemed to be doing all the playing, but the Kansas City boys did all the scoring. It was skill, and co-operation against strength and awkwardness. Skill and co-operation got it!

## The College Song

1  
Swing round the world boys  
Swing back again;  
You'll never find a better bunch  
Than William Jewell men.  
Go east or west lads,  
Roam where you will  
But when you want the best on earth  
You'll find it on the Hill

### CHORUS

Sing of the "Old Hill"  
Join in the song,  
For William Jewell College now  
Is marching, marching on.  
Sing of the "Old Hill"  
Join in the song,  
For William Jewell College now  
Is marching, marching on.

2  
Under the "Old Hill"  
Down in the town,  
"Amo, Amas," I loved a lass  
Who ne'er on me did frown.  
While we are young then  
Let us be gay  
And here's to all who ever helped  
To drive dull care away

3  
Here's to the "Old Hill"  
Long may she thrive;  
And never lack for sturdy sons  
To keep her name alive.  
Lift up your voice then,  
Sing once again,  
For all the world is full of hope  
For William Jewell men.

**1910**  
William Jewell, 6      Central, 6

Dateline: October 22. The Jewells met Central Mo. State on Jewell's gridiron. The game was called at 3:15 and both teams being very evenly matched, the game was hard fought throughout.

After the first five minutes of play, the "Jewells" succeeded in making line bucks and shoved Boyer over the line for a touchdown. The ball was kicked off again and before the end of the first quarter, Central succeeded in making an end run for a touchdown. The final score was Central, 6, William Jewell, 6.

**1920**  
Jewell Shares M.I.A.A. Title

Dateline: November 30. William Jewell and Missouri Wesleyan battled to a scoreless tie before a crowd estimated at 3,500.

The Big Red Gang outplayed the "Cameroons" every minute of the contest. After a few minutes, Wesleyan saw that making a score on the Cardinal crew was going to be a difficult task, so all efforts were concentrated upon holding the Jewell chargers scoreless, thus enabling the maroon and black to end the season with a clean slate, as tie games are not reckoned in the standings. Punt after punt was made by the Cameroon eleven on the first down, in order to keep the ball out of scoring distance. Wesleyan attempted to make gains by the aerial route in the second quarter, at one time making three flings in a row, but this strategy was unsuccessful as the Cardinals got down and incompleting each flip that was tried.

**1930**  
Cardinals Beat Vikings 14-7

Dateline: November 5. The work of "Polly" Grant was outstanding and his broken field running caused the crowd to sit up and take notice on several occasions when he threatened to run over the entire Valley team on his return of punts. His touchdown early in the second half secured the home victory.

**1940**  
Cardinals 18, Tarkio 0

Dateline: October 28. In the second quarter, an Owl fumble and a Jewell recovery gives the Cardinals possession on the Tark's 40. Bud Anderson tossed a long pass to Danny Wilkins for 29 yards but the ball was lost on downs at the four. On the next possession, Anderson rifled a pass to Bill Cunningham who awaited it on the goal line. Cunningham's leaping catch was a high twist into the air.

Then came a trick out of Godfiaux's bag. When quarterback Wilkins took the ball, he started around left end but lateraled to Dick Hyder. He proceeded a few yards toward the sidelines and tossed the ball back to Anderson who followed the previous ball handlers across the goal line.

**1950**  
Jewell Whips Favored Ottawa 13-7

Dateline: October 26. A fifteen year jinx was broken last Thursday as the William Jewell Cardinals topped a highly favored Ottawa University team 13 to 7. A rapid march downfield followed Tom Cook's interception of a Brave pass and this was capped with a double reverse as Bill Spencer went over to score from the Ottawa 6. Ottawa punched down to the Jewell one-yard line but failed to score on four downs as the half ended. Jewell students staged a big victory parade after the victory.

**1960**  
Jewell Tames Culver Wildcats 14-0

Dateline: September 29. Marty Schweling of Culver Stockton sprinted 80 yards with a first quarter punt return before being dragged down by Sam Childress at the ten-yard line. In the second quarter, Childress put the Cards ahead on a 43 yard run. The second Jewell touchdown came on a pass from Tom Travis to Jack Hansen and the fourth quarter saw Clem Buschmann slog through a sea of mud with two deep penetrating runs.

**1970**  
Big Red 20-16 Over Graceland

Dateline: October 15. Led by the passing of Tom Geer, the William Jewell football Cardinals scored a 20-16 come-from-behind victory over Graceland Saturday. Jewell's first score was by Linzy Teegarden and this was followed by Graceland score by Cottrell. A Dan Brown reception from Geer for a score was followed by another to Gary Hosack with Bill Womack adding the PAT. Graceland was stopped on downs at the Cardinal 30 with three seconds remaining.

# Sports Notes

## Sports Note: Rivalries

Our oldest continuous rivalry is with Ottawa U. beginning in 1897.

## Sports Note: Determination

William Jewell played Kansas University six times from 1905 to 1914 never scoring a single point until 1914 when they were defeated by Kansas 48-8. Having finally reached that scoring milestone, they terminated the competition. Final score for all six games, WJC, 8 and KU, 199.

## Sports Note: Never again

Jewell's worst loss came at the hands of Wake Forest, 79-0 in 1940. It was the only time the Deacons were scheduled.

## Sports Note: Boy that's weird.

Jewell's second best defensive team (allowed only 64 points) in 1931 won only two football games during the entire season. Their offense scored only 41 points in nine games.

## Sports Note: Revenge is sweet.

In 1943, Jewell beat Missouri Valley 34-0 revenging 1942's 59-0 defeat by the Vikings.

## Sports Note: What happened coach?

In 1928 after four games, Jewell was 2-2 outscoring their opponents by 59-38. Over the next five years, the team scored 6 points.

## Sports Note: Who says lightning can't strike twice?

In 1929 after four games, Jewell was 4-0 outscoring their opponents by 41-8. Over the remaining four games, they scored only 6 points.

## Sports Note: Would the offense please report to the Stadium?

In 1928, Jewell defeated Culver Stockton 33-0. Following this offensive show, the Cardinals had to wait 69 games before they again scored more than two touchdowns in a contest (WJC 21-Central 0, 1936). For eight years, the offense averaged less than six points per game.

## Cross Country Coach

**JOHN YOUNG  
HEAD CROSS COUNTRY COACH**

John Young, Director of Curry Library at William Jewell, will be assuming the reins as head coach for cross country at William Jewell. John spent the last two seasons as an assistant under coach to Darrel Gourley and has great plans for the 1980 season.

Coach Young has a degree in philosophy from WJC, a Master's in library science from the University of Denver, and a Master's in public administration from UMKC. John is married to a former WJC coed, the former Pat O'Bryan and they and their three sons live in Liberty.

According to Coach Young, 1979 was particularly rewarding since he had the privilege of coaching Jewell's first Cross-Country All-American, Tim Schmidt. John sees 1980 in the following words: "I am looking forward to an even better year and with all but one of last year's lettermen returning, it should be an outstanding year."
