HARRY FRITZ, Executive Director

1221 Baltimore, Kansas City, Mo. 64105—(816) 842-5050

On behalf of the NAIA's more than 500 member institutions we thank all of those present here today for your loyal support during the 1980 football season.

The two teams participating in today's Division II semifinal round have earned this distinction by winning their respective quarterfinal contests. The winner of today's game will compete in the NAIA Division II Championship finals to be held on December 13 at the site of one of the competitors.

A championship event of this significance involves the dedication and involvement of college and community leaders and is a tribute to the great "Fall Spectacle"—college football.

May this be an outstanding athletic cooperation in the best tradition of American higher education and serve to bring the community, college students and parents into closer cooperation.

National Association of Intercollegiate Athletics

Dear Football Fans:

Your support of intercollegiate athletics, and other activities programs offered by your favorite college or university reflects your belief in the young men and women who are being educated on our great campuses for leadership in tomorrow's world. Your attendance here today has important meaning for both the institutions involved and the participants.

There is nothing quite like the pageantry and excitement of American college football. It is the strong feeling of the National Association of Intercollegiate Athletics that football and other sports are an integral aspect of the institution's total educational program. Over 70,000 student-athletes are annually involved in the varsity sports programs in the NAIA's more than 500 member institutions. We are very pleased that the Fall football program provides the vehicle for alumni and community involvement on campus, as well as a robust and desirable activity for the students.

The NAIA strives for a well balanced and comprehensive program of activities - one that meets the needs and interests of the total student population. Currently the NAIA conducts 15 national championships in 14 different sports. Women's championships and a Women's Division have been added to the NAIA program effective 1980 - 81, by vote of the membership.

The 1980 season marks the third year of a NAIA football playoff format that assures eight teams in Division I and eight teams in Division II an opportunity to compete for coveted national titles in each division. Texas A&I won the 1979 Division I crown, narrowly edging Central Oklahoma 20 - 14 before 9,300 fans in the nationally televised Palm Bowl in McAllen, Texas. The Palm Bowl attendance was more than double that of any other 1979 football playoff game among teams competing below the major level. Findlay College of Ohio, a finalist in 1978, exploded for a 51 - 6 win over Northwestern of Iowa in the 1979 Division II final game.

LeRoy T. Walker

I echo the sentiments of our entire membership when I say thanks to you for your loyal support in helping make today's football game an outstanding athletic competition in the best tradition of American higher education. Return often. Welcome to today's game and congratulations on being a participant in an event that is associated with the best features of American life.

LeRoy T. Walker

NAIA

Bill Vining, Director of Athletics and Basketball Coach at Ouachita Baptist University, Arkadelphia, Arkansas, is the 1980-81 president of the NAIA Coaches Association, the largest organization of college coaches in the world.

A subsidiary of the NAIA, the NAIA Coaches' Association is charged with responsibility for carrying on a program beneficial to the coaches of the organization.

NAIAC provides coaches in all sports with a strong voice in establishing rules and standards in each sport. The All-America Awards program is the responsibility of the Awards Committee which is represented by the officers of NAIAC.

Dr. David Olson, Director of Physical Education at Pacific Lutheran University, Tacoma, Washington, is representing the NAIA National Executive Committee for the Division II National Championship Football Program.

All NAIA championship meets, games and tournaments are under the direct supervision and control of the NAIA National Executive Committee.

The 11-person National Executive Committee is the governing body elected by the membership of NAIA at the Annual Meeting of the organization. The Executive Committee hires the Executive Director, who conducts the business of the organization from National Headquarters.

DR. J. GORDON KINGSLEY

President of William Jewell College

Dr. J. Gordon Kingsley was inaugurated in September 1980 as twelfth president of William Jewell College.

He first came to William Jewell, as a teacher, in 1960. He became director of special programs in 1969. In 1973 he was appointed associate dean and in 1976 he was named dean of the college, a position he served until his step up to the presidency this year.

Before joining the Jewell staff in 1969, Dr. Kingsley was professor and coordinator of interdisciplinary studies at Kentucky Southern College.

He is a graduate of Mississippi College and holds a master's degree in English from the University of Missouri-Columbia. He earned bachelor of divinity and doctor of theology degrees from New Orleans Baptist Theological Seminary and has done post doctoral work at other institutions. Mercer University in 1980 awarded Dr. Kingsley the honorary doctor of humanities degree.

LARRY HAMILTON

Director of Men's Athletics

A 1961 graduate of William Jewell College, Larry Hamilton joined the Jewell staff as coach and teacher in 1967. In 1971 he was named director of men's athletics.

Hamilton previously held positions at Rockport, Mo., and Park College.

In addition to his post as athletic director, Hamilton serves as men's swim coach. Under his direction, 30 swimmers have qualified for the national championships in the last seven years, with five swimmers earning All-American honors.

Hamilton earned a master's degree from Central Missouri State University in 1967.

STAN MCGARVEY

Head Football Coach at William Jewell College

Head football coach at William Jewell since 1978, Stan McGarvey was unanimously chosen as NAIA District 16 Coach of the Year in 1979 after his team finished its season as co-champions of the Heart of America Athletic Conference and was ranked No. 9 in the national Division II poll.

McGarvey, a 1973 graduate of William Jewell, spent five years as an assistant coach at four different institutions before being named head Cardinal coach at the Liberty, Mo., school. He came to the post from the University of Tulsa, where he served as running back coach as well as coordinator of Tulsa's highly regarded recruiting program.

McGarvey earned a master's degree in physical education in August 1975 at the University of Illinois-Champaign.

DR. ROBERT E. LUCAS

President of Wilmington College

Dr. Robert E. Lucas has been president of Wilmington College since 1975. He was graduated from the college in 1937. He holds M.A. and Ph.D. degrees from the Ohio State University.

Prior to assuming the Wilmington presidency, Dr. Lucas had served for 20 years as superintendent of the Princeton City Schools, in suburban Cincinnati. He has also served as a public school teacher, coach, and county superintendent, and was also elementary school supervisor for the Ohio State Department of Education.

Married, and the father of three children, Dr. Lucas is active in civic and educational areas. He served as president of the Ohio PTA, was on the Cincinnati Council on World Affairs, is a Rotarian, and has been active in Boy Scout work.

He has received numerous honors and awards and was the first recipient of the Distinguished Service Award of the Buckeye Association of School Administrators. In 1979 he received the annual Wilmington Area Junior Chamber of Commerce Distinguished Service Award.

DR. G. WILLIAM RAMSEYER

Athletic Director and Head Coach of Wilmington College

In his ninth year at Wilmington, Bill Ramseyer combines the duties of administering the athletic department to his football and teaching roles. This involves overseeing the 14 intercollegiate sports offered by Wilmington. In his eight seasons at the helm of the Quaker football program his teams have reestablished a winning tradition which had been absent in recent years.

Ramseyer, a native of Bluffton, Ohio, graduated from Bluffton College in 1958, and began his coaching career at Wapakoneta (Ohio) High School as an assistant in football. In 1961, he took his first head coaching position at Plymouth (Ohio) High School.

A year later he took over a football program at Firelands High School (forty miles west of Cleveland) which had never experienced a winning season in its six year history of football. During his three years there Ramseyer compiled a record of 24-2-0, topped by an undefeated 1964 team which was rated 3rd in the state of Ohio. The next year he moved to Brunswick (Ohio) High School, where his team began changing the school's losing tradition.

In 1966 Ramseyer returned to Bluffton College as assistant football coach and head baseball coach. In his first season as baseball head, his squad won the conference championship and narrowly lost the three-game series play-off in district tournament play. In his second year the Bluffton football squad also won a conference championship. While at Bluffton he completed his Master of Education degree from Bowling Green State University.

Ramseyer then went to the University of Missouri, where he earned his Ph.D. in physical education while serving as head scout and assistant coach in charge of linebackers. During his tenure at Missouri he coached under Dan Devine, who is currently the head coach at Notre Dame University, and under Al Onofrio. His experience at Missouri included a trip to the Orange Bowl on New Year's Day, 1970.

Leaving Missouri to take the head position at Wilmington, Ramseyer has successfully rebuilt Quaker football, producing winning squads each season with nationally recognized statistics and players.

In eight seasons Ramseyer has coached 15 All-Americans and seen Wilmington's team climb as high as 9th in the national polls.

NAIA TIE BREAK PLAN FOR PLAYOFF FOOTBALL GAMES

If at the end of the fourth quarter, the teams have identical scores, the tie will be resolved in the following manner:

1. The NAIA Game Committeeman will designate the end of the field on which the overtime period(s) will be played.
2. The Game Committeeman, the Game Officials, and the respective team captains shall assemble at the 50 yard line following a three minute intermission at the conclusion of the fourth quarter. The referee shall conduct a coin toss and the visiting team captain shall be given the privilege of calling the coin while it is in the air. The winner of the toss shall be given his choice of ball possession or defense for the first overtime period.
3. Each team shall put the ball in play from its opponent's 20 yard line, first down and 10 yards to go.
4. Teams shall alternate possessions until the tie is broken following an equal number of possessions.

ALL OTHER OFFICIAL NCAA FOOTBALL RULES APPLY EXCEPT:

1. Each team is allowed one (1) timeout for each overtime period. Any unused regulation game timeouts may be taken during any overtime period.
2. The same end of the field will be used for both possessions in order to insure equal game conditions for both teams.
3. Each overtime period will include one possession by each team.
4. The loser of the coin toss for the first overtime period shall have the option of ball possession or defense to begin the second overtime period. Should there be additional overtime periods, the choice will be alternated between the teams.
5. There will be a one-minute intermission between each overtime period.

The team scoring the greater number of points in the overtime period(s) shall be declared the winner. The final score shall be determined by totaling all points scored by each team during the regulation and overtime period(s).

THE NAIA CHAMPIONSHIP FOOTBALL PLAYOFF SYSTEM

DIVISIONS AND AREAS

Unlike basketball, where NAIA institutions compete in Districts, NAIA football institutions are classified according to Divisions I or II. When the NAIA divided into divisions in 1970 member institutions were given an opportunity to declare in which division they wished to compete. The NAIA Football Coaches Association Review Board has had the authority to rule on changes within divisions and an institution is required to spend at least two seasons in a given division once it is placed there.

Within each division member institutions are arranged according to geographic areas:

DIVISION I

Area 1—Alaska, Colorado, Hawaii, Idaho, Kansas, Minnesota, Missouri, Montana, Nebraska, North Dakota, Oregon, South Dakota, Utah, Washington, Wyoming.

Area 2—Arizona, Arkansas, California, Nevada, New Mexico, Oklahoma, Texas.

Area 3—Connecticut, Illinois, Indiana, Iowa, Maine, Massachusetts, Michigan, New Hampshire, New Jersey, New York, Ohio, Pennsylvania, Rhode Island, Vermont, West Virginia, Wisconsin.

Area 4—Alabama, Delaware, District of Columbia, Florida, Georgia, Kentucky, Louisiana, Maryland, Mississippi, North Carolina, South Carolina, Tennessee, Virginia.

DIVISION II

Area 1—Alaska, Hawaii, Idaho, Montana, Nebraska, North Dakota, Oregon, South Dakota, Washington, Wyoming.

Area 2—Arizona, California, Colorado, Kansas, Nevada, New Mexico, Oklahoma, Texas, Utah.

Area 3—Connecticut, Iowa, Maine, Massachusetts, Michigan, Minnesota, Missouri, New Hampshire, New Jersey, New York, Rhode Island, Vermont, Wisconsin.

Area 4—Alabama, Arkansas, Delaware, District of Columbia, Florida, Georgia, Illinois, Indiana, Kentucky, Louisiana, Maryland, Mississippi, North Carolina, Ohio, Pennsylvania, South Carolina, Tennessee, Virginia, West Virginia.

THE RATERS

Teams selected for participation in the NAIA playoffs are determined by weekly ratings throughout the season. Selected members of the NAIA Football Coaches Association submit a weekly rating during a specified rating period

to determine which teams will participate in the post-season playoffs.

Each of the four geographical areas (see above) within the Division are allocated four raters, thus making 16 raters per division.

In 1979 the Division II rating period runs from Wednesday, September 19 to Wednesday, November 7 and the Division I rating period goes from Wednesday, September 19 to Wednesday, November 14.

SELECTION OF TEAMS

- Teams must declare their intent to participate in the NAIA championship football program by October 1.

- Teams must be ranked in the top 12 in the last regular-season weekly rating (Nov. 7 for Division II, Nov. 14 for Division I) to be considered for the playoffs.

- The top-ranked team from each of the four geographical areas (in each division) within the top 12 is automatically selected for the playoffs.

- The next four highest-ranked teams, **regardless of geographic area**, and not already selected, complete the eight-team field.

- No more than two teams from the same conference (within the same division) are selected for the playoffs.

- Teams may be paired according to geographic proximity to each other for the first round (quarterfinals) and members of the same conference would play each other in quarterfinal or semifinal rounds.

- Teams with four or more non-winning games will not be selected for participation in the playoffs.
