

Hine takes top honors

Bill Hine of Gladstone selected 14 of 16 winners in last week's football contest and his accuracy has earned him first place and \$100.

Hine missed only the Iowa St.—Kansas contest, where the Jayhawks stunned the Cyclones 24-7, and the Drake—Wichita St. game where underdog Wichita St. pulled out a

24-17 victory.

The second-place winner this week is R.J. Unsell of Parkville. Unsell, who picked 13 winners, takes home \$50 for his effort.

Unsell erred on the San Diego St.—Colorado St. game where Colorado coasted to a 37-3 victory, and missed the Drake—Wichita St. game and the

Auburn—Georgia Tech battle. Auburn proved they are for real with a convincing 38-14 triumph.

Third place, and \$25, this week goes to Jay Maupin of Gladstone. Maupin also picked 13 winners but fell to third on his tie-breaker selection. Maupin selected 36 points and Unsell had 37 for the Chiefs—Giants

contest, won by the Giants 21-17.

Maupin missed on the Iowa St.—Kansas game, the Drake—Wichita St. contest, and the Michigan State—Purdue battle, won by Purdue 14-7.

Congratulations to the winners and good luck to all the prognosticators this week.

Jewell group honored

The Society of Physics Students at William Jewell College has been designated an "Outstanding SPS Chapter" for 1978-79.

This honor was given to 33 of the more than 472 chapters in the nation.

This is the second year in a row for William Jewell's chapter to be so recognized.

Twenty students belong to the SPS chapter at William

Jewell, which is about 15 years old. Included in it is an honor society for physics majors, Sigma Pi Sigma, which is also part of a national organization.

Arts class set at Jewell

The William Jewell art department will be sponsoring children's art classes for youngsters 6-11 beginning Saturday and meeting five more Saturdays from 9 -10

The SPS boasts 450 active chapters on campuses across the country.

a.m. There will be no class on Nov. 4.

Classes will be held in the art department, in Ely Hall on campus.

The registration fee is \$18.

Institute makes study

The Institute for Social Research at William Jewell College will be doing a county-wide telephone survey dealing with relevant issues in the upcoming November elections.

Interviews begin today, and will conclude Tuesday.

Dr. Will Adams, a 25-year Liberty resident, is the director of the Institute.

FOOTBALL CONTEST

CONTEST RULES

1. Find the football game listed in each business's advertisement. Select the team you think will win. Then write the team name next to the merchant's name in the coupon below. Make sure you match the proper business with the team you selected for this ad.
2. After you have selected all your teams, find the "Tie-Breaker Game" and write in the total number of points that will be scored in that game. In the event of a tie, this will be used to determine the winner. The winner is decided by the most number of correct winning teams and the closest guess of points in the "Tie-Breaker Game" without going over the actual total scored.
3. The list of winners will appear each week on this contest page.

MUST BE RECEIVED AT THE DISPATCH
