William Jewell

Today's Game Cardinals

Today is Culver-Stockton's final game of the season, as they go up against highly rated William Jewell Cardinals.

William Jewell, ranked fourth in the NAIA Div. II polls last week, has only one blemish on its '80 record, a 10-10 tie with second ranked Baker, who beat C-S, 51-0, four weeks ago.

First year Coach Vince Okruch is cautious, yet possibly optimistic about this game, "We've got our work cut out for us, but we're in a real spoiler role right now. If we can knock off William Jewell, then they'll be out of the conference championship. It would do us a lot of good to beat a ranked team like Jewell.
